EUMODIC stands for the “European Mouse Disease Clinic: A distributed phenotyping resource for studying human disease”. The EUMODIC project was funded by the European Commission within its FP6 Programme, under the thematic area “Life sciences, genomics and biotechnology for health” contract number LSHG-CT-2006-037188

Further information on the EUMODIC project and consortium can be found on the project website: www.eumodic.org
